

## Car Drifting Rules

|                              |                                   |
|------------------------------|-----------------------------------|
| 7:30am Registration Opens    | 9:00am Mandatory Drivers Meeting  |
| 9:30am Drifting Begins       | 12:00pm Mandatory Drivers Meeting |
| 12:00pm – 1:00pm Lunch Break | 5:00pm Drifting Ends              |

Please familiarize yourself with these Car Drifting Rules to ensure an enjoyable and successful day. Drivers are expected to conduct themselves in a mature and responsible manner considering the various abilities of the other drivers. Drivers shall respect the directions and decisions of the officials at all times. Drivers are responsible for the actions of their crew and guests. Shannonville Motorsport Park reserves the right to deny participation at any time.

### Car Drifting Track Rules

|                |   |   |
|----------------|---|---|
| Green flag     |  | Track is clear  |
| Yellow flag    |  | Caution, reduce speed, no passing   |
| Black flag     |  | Driver warning, proceed to pit lane at reduced speed and see an official                                |
| Red flag       |  | Emergency, reduce speed and proceed to pitlane, be prepared to stop on track if directed by an official |
| Checkered flag |  | Session is over, proceed to pit lane at reduced speed   |

Be aware of the yellow blend line when you enter and exit pit lane. You must remain to the left of the blend line when you enter and exit pit lane.

New drifters must complete three events on the skid pad before participating on the main track.

If something does not feel right, please waive the other participants through and proceed to pit lane.

Dirt dropping and wall tapping is not permitted. **Violators may be denied participation.**

All persons, cameras and personal effects must remain within the vehicle passenger compartment. **Violators may be denied participation.**

Passengers are permitted.

Pocket or mini-bikes are not permitted.
