

Two Wheel Tuesday Rules

5:00pm Registration Opens/ Technical Inspection Begins	5:15pm Riders Meeting
5:30pm Lapping Begins	7:30pm/dusk Lapping Ends

Please familiarize yourself with these Two Wheel Tuesday Rules to ensure an enjoyable and successful day. Riders are expected to conduct themselves in a mature and responsible manner taking into account the various abilities of the other riders. Riders shall respect the directions and decisions of the officials at all times. Riders are responsible for the actions of their crew and guests. Shannonville Motorsport Park reserves the right to deny participation at any time.

Two Wheel Tuesday Track Rules

Green flag		Track is clear
Yellow flag		Caution, reduce speed, no passing
Yellow/Red flag		Debris, watch for debris or fluids
Black flag		Rider warning, proceed to pit lane at reduced speed and see an official
Red flag		Emergency, reduce speed and proceed to pit lane, be prepared to stop on the track if directed by an official
Checkered flag		Session is over, proceed to pit lane at reduced speed

Be aware of the yellow blend line when you enter and exit pit lane. You must remain to the left of the blend line when you enter and exit pit lane.

Passing is permitted on the straights and on the outside of corners.

If something does not feel right please proceed to pit lane and check with an official.
