

Media Credential Code of conduct & Regulations

1. A waiver must be signed before going trackside – this waiver will be valid for the current year;
2. Credential must be visible at all times;
3. Media requiring trackside access are required to wear a vest;
4. Be mindful of the colours you are wearing, Red or Yellow are not recommended and can be confused with flags. Trackside access may be refused;
5. Track crossing is allowed **ONLY** between sessions;
6. **Always obey Officials or Marshals' directions promptly;**
7. It is not permitted to stand on the outside of a corner, unless you are behind a protective wall – see track map for recommended locations;
8. Do not block emergency or service vehicle's access route or marshal's line of sight;
9. In the event of an incident, be aware that the track is still HOT (i.e. moving vehicles);
10. Do not attempt to "help" or give assistance during an incident. Marshals and EMS have the proper training and experience to respond;
11. Look twice before crossing pit lane;
12. Drones are not permitted.
13. Demeaning or profanity posts will invalidate current and subsequent credentials.

Your media credential may be revoked immediately at any time if you violate any of the above rules or if you are acting in an unsafe manner.

I have read and understand the above regulations.
